SUPPLEMENTARY INFORMATION:

I. Abstract

To ensure accurate reporting of Government-owned, contractor-held property on financial statements and to provide information necessary for effective property management in accordance with FAR Part 45, NASA collects information on an annual basis. The information is collected to validate official property records maintained by NASA contractors. The information is submitted via the NASA Form 1018, at the end of each fiscal year. NASA reimburses its contractors for the cost to prepare and submit the annual reports.

This 30-day FRN reflects a change in the information published in the 60-day FRN. Specifically, it reflects an increase in the estimated number of respondents as well as an increase in the estimate number of burden hours. The estimated annual cost to the government is also reflected.
